

## Box Tops are Changing!

The Box Tops for Education program is changing the way we can earn cash for our school! Over the summer, participating brands have begun to change their packaging from the traditional Box Tops. Going forward, instead of clipping from packages and checking expiration dates, all Box Tops will be earned digitally by scanning your receipt. The new app features state-of-the-art technology that allows you to scan your store receipt, find participating products and instantly add Box Tops to our school's earnings online. Redeem (scan receipt) within 14 days of purchase. **If you do not wish to download the App, please send your receipts with a student or place your receipt in the Box Tops box in the back of church. If you still have traditional Box Tops at home, make sure to send them to school.** We will still earn cash for all clipped Box Tops until they expire. Better yet, you can “double dip” during the packaging transition by clipping traditional Box Tops AND scanning your store receipt containing participating products.

Thanks for helping our school get what it needs!
