

Concession Workers for Basketball and Volleyball home games '23 - '24

Since the profits from concessions go toward our 8th grade trips and Civics Club activities, we ask our 7th and 8th grade parents and students work in the concessions stand for basketball and volleyball games. Remember, it is the students attending the trip and activities, so please have your child to work concessions when you sign up. All 7th and 8th grade parents/students are required to sign up. Please sign your name by the games that would be most convenient for you to work concessions. Families may need to work 2 games. Each parent should be listed separately as different workers.

Date	Weekday	Opponent	Time	1st Worker	2nd Worker	3rd Worker
