St. Thomas School Web Site

St. Thomas School has a website. The school is asking permission to put information regarding your child(ren) on this site. This completed form will be kept on file for all the years your child is a student at St. Thomas School. You have the right to change the permission to release at any time by coming to the office and changing this form. Please mark the items you give St. Thomas School permission to post on the St. Thomas School website. We will never identify a child by any part of their name in a photo on the website. Very seldom are students names put on the website. When we do, it is normally only the child's first name. Some teachers list first names on their link when giving recognition. First names are also listed on the parent letter link.

The following marked items **may be posted** on the school site regarding my **child(ren)**:

_____ **first name** _____ **last name**

The following marked items **may be posted** on the school site regarding **parents** (Parents names would normally appear in the parent letter page or if you hold a school office such as School Board, but is not limited to these pages):

_____ first & last name (father)-please write how your first name should be listed _____

_____ first & last name (mother)-please write how your first name should be listed _____

_____ I do not want any information listed on the website.
