

St. Thomas the Apostle Catholic School

March 23, 2026

THE NOTE!

I hope everyone enjoyed the mostly beautiful weekend! Loved the sunshine and warmth. I always encourage the kids to BE the sunshine and warmth for others by how you speak and act – hopefully something they remember. Another short week ahead for the kids. Encourage them to work hard and to continue to be faithful to their Lenten promises!

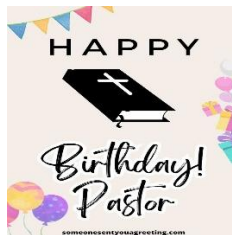

I've heard great things about the Daddy/Daughter Dance and can't wait to see the pictures! Thanks to Kristine Probst and her committee for all your hard work! I know that isn't always every dad's favorite thing to do, but enjoy it – your girls will be moms themselves in the blink of an eye!

***Thanks to the NCHS Chorus** for inviting our junior high students and teachers for a special performance of “Sister Act.” We are so proud of all of the performers and crew. If you still need **musical tickets** for this weekend, just let me know! It’s going to be a great show!

*If you need a **tutor** for your 5th-8th grader this summer, let me know. We have a St. Thomas graduate willing to help out.

*Last call for input on our **Distinguished Graduate and Exceptional Service Award**. Send me an email if you have an idea.

*Just a reminder that St. Thomas **will not have school this Friday**, although Jasper County schools are in session. I will let the bus garage know that they don’t need to get our kids.

*NOTE – we have **All-school mass on Wednesday** since we didn’t have that opportunity last week and won’t this week on Friday.

*Also notice that for **Palm Sunday**, the mass at St. Mary’s has been moved to 8:45 and the late mass at St. Thomas has been moved to 10:30.

*Keep selling that **detergent**. Orders are due back by Monday, the 30th! We will go right into trash bag sales next.

*I encourage all families to attend the **Night of Reconciliation** this Wednesday. Meet in the church at 5:30 for a reminder of what Reconciliation is and then Adoration while we wait. It should be a beautiful opportunity for all!
