

Dear Parents,

Always in the past we have tried to teach our students about Christian service. One way that we did this was to ask the older students to help serve the meals during the lunch hour. Not only did this experience do that, it also helped to facilitate the cafeteria procedure. The lines moved faster and more smoothly.

The federal lunch program has established a requirement stating that student meal servers need to have a parental consent form on file. Therefore, we are requesting that you please fill out the form below and return it to school as quickly as possible. Then we can establish the schedule and be in compliance with the mandate. Thank you for your prompt response and cooperation.

I give my child _____ permission to assist in the serving of meals.
