Fair Share Hours

- **50% of rebate/profit from company your fair share obligation.**
 - *For example purchasing a \$100 Hartrich Meats gift card gets a rebate to the school of \$10 because they give back 10%. Half of the rebate, \$5, would be applied to your fair share obligation. That is equivalent to a half of an hour for your fair share hours just by purchasing a card to pay for something you would have paid with cash anyway!*
- **Start earning 2017-2018 Fair Share hours starting with your June order.**
- **Fair share hours can only be applied when using school parents' accounts.**

THANK YOU VOLUNTEERS

We appreciate all your hard work!
