

VOLUNTEER LETTER

St. Thomas School

Dear Parents,

In order that many activities may run smoothly for the good of the school, we are asking you to volunteer your services to help out this year. We are most appreciative of the generous help families have given in the past, and we welcome and encourage the continued assistance of our parents with the many volunteer activities available. It makes it easier for me to have these forms and know who would be available for what.

Please indicate the areas in which you can provide assistance, and return with your packet. You will be notified as soon as schedules can be worked out as to when your services will be needed. Please know that you are needed – St. Thomas School could not offer the programs and projects we plan without the help of our volunteers. These volunteer hours will count towards Fair Share hours.

Sincerely,

Jill Bierman, Principal
